

### PenAir Supporting Our Communities

PenAir proudly supports organizations that make a difference in the communities we serve. We understand the value of community involvement and making a difference where we work and live, and, therefore focus our involvement on the communities in which we operate.

### Who Do We Support?

Support is typically given in the form of airline travel vouchers, cargo vouchers or promotion items to be used for fundraising events.

We focus our support on the following organizations/requests:

- Schools and education
- Youth and sports
- Community wellness (i.e. Health fairs, events promoting healthy activities)
- Community enhancements (i.e. clean up days, recycling programs etc.)
- Non-profit fundraising

Support will not be considered for the following:

- Political organizations
- Individual churches
- Requests for personal fundraising/purposes
- Shareholder meetings
- Ticket requests for free group travel (see group travel information below)
- Organizations that have received a donation from PenAir in the current year (i.e. requests per organization are only considered one time per year)

We appreciate all the work nonprofit organizations do in each of the communities we serve. While we wish we could support all of the worthwhile requests for donations we receive each year, the number of requests we receive is greater than our ability to accommodate. We appreciate your understanding should your request be one that we are unable to support.

### How to Request a Donation

All requests must be made through our [online donation request form](#). We recommend submitting your request at least six (6) weeks prior to your event. Please allow up to three (3) weeks for a response. Please ensure that your request matches the criteria above. All requests are reviewed personally and a response will be sent to the email address provided in your application.
